ambitious patrol captain nissa sander has spent three years at the galaxy s edge keeping the law and order and chasing scoundrel smuggler justyn phoenix but the charming rogue has always outwitted her and she s had a hard time ignoring his hard body and handsome face but when one of the galaxy s most important documents the us constitution is stolen nissa finds herself working with the very man she s been trying to throw in her brig justyn phoenix embraces life and offers everyone a wink and a smile he s also in love with a spit and polish patrol captain yep crazy in love and he knows she ll never love him back but when the opportunity arises to work alongside nissa on a wild and crazy mission to recover the us constitution he can t resist but nothing on this treasure hunt is as it seems the trail leads them to fake documents rival treasure hunters and a millennia old mystery as the hunt takes them beyond the galaxy s edge justyn and nissa will face the firestorm of their desire and soon learn if they can survive long enough to save the galaxy

displaced things in museums and beyond looks anew at the lives effects and possibilities of things starting from the perspectives of things themselves it outlines a particular displacement approach to the museum anthropology and material culture the book explores the ways in which the objects are experienced in their present displaced settings and the implications and potentialities they carry it offers insights into matters of difference and the hope that may be offered by transformative encounters between persons and things drawing on anthropological studies of ritual to conceptualise and examine displacement and its implications and possibilities dudley develops her arguments through exploration of displaced objects now in museums and dislocated or exiled from their prior geographical historical cultural intellectual and personal contexts the book s approach and conclusions are relevant far beyond the museum showing that even in the most difficult of circumstances there is agency distinction and dignity in the choices and impacts that are made and

that things and places as well as people have efficacy and potency in those choices in displaced things displacement emerges as fundamental to understanding the lives of things and their relationships with human beings and the places however defined that they make and pass within the book will be essential reading for academics and students engaged in the study of museums heritage anthropology culture and history
