Visually compelling pages illustrate the latest legal developments across the globe in the U.S. Supreme Court and even at the state level. MindTap digital resources are available to help you further explore how the law is applied to various real business situations.

The Handbook of Denominations in the United States has long been the gold standard for reference works about religious bodies in America. The purpose of this handbook is to provide accurate and objective information about the most significant Christian traditions and denominations in the United States today. It contains descriptions of over 200 distinct Christian denominations as well as overviews of the several major Christian traditions to which they belong, based on shared historical and theological roots and commitments. The information for each denomination has been provided by the religious organizations themselves and focuses on the denominations' doctrines, statistics, and histories. The 14th edition is completely updated with current statistics, new denominations, and recent trends. The book has been made more useful and manageable by moving very small groups into broader articles while giving more detail and description to the large and influential denominations.

Selected for 2025 Doody's Core Titles with Essential Purchase Designation in Anesthesiology/Pain Medicine, offering up-to-date coverage of everything from historical and international perspectives to basic science and today's clinical practice, Miller's Anesthesia 10th Edition remains the #1 reference and trusted learning resource for practitioners and trainees in this complex field.
